You assume responsibility for the selection of the Program to achieve your intended results, and for the installation, use, and results obtained from the Program.

The license is for use of the Program, in object or executable code form only, and any related materials and documentation provided by Licensor. You agree that the Program, all materials provided by Licensor under this Agreement, and all Program-related materials (including but not limited to derivative works) are and shall at all times remain the sole and exclusive property of Licensor.

**SINGLE PC/CPU LICENSE:** You are licensed to use the Program solely for the internal purposes of your own business only on a single PC/CPU at a time. You may copy the Program into machine readable or printed form for backup or modification purposes in support of your use of the Program on the single PC/ CPU. You may not modify the Program and/or merge it into another program for your use on the single PC/CPU.

**SINGLE LAN LICENSE:** You are licensed to use the Program solely for the internal purposes of your own business, only on a single local area network (LAN) file server CPU at a time, for the number of LAN work stations corresponding directly with the number of LAN work stations purchased. You may copy the Program into machine readable or printed form for backup or modification purposes in support of your use of the Program on the single LAN file server CPU. You may not modify the Program and/or merge it into another program for your use on the single LAN file server CPU.

### RESTRICTIONS

You agree not to use, print, copy, modify, translate, alter, sublicense or display the Program in whole or in part except as expressly provided for in writing. You agree not to distribute, modify, create derivatives of, "reverse compile," decompile, or otherwise derive the source code, including third party image reader product compatibility, for the Program or defeat any "keys" or codes limiting authorized access or functionality, nor allow others to do the same. Licensor's suppliers are considered third party beneficiaries of this software license. You may not use the Program except as expressly provided for in this agreement. You may not make copies of the user's manual or copies of the Program disks except as provided above. You may not load, rent, or grant sublicenses in the Program to others.

You may not use the Program in a manner that subjects it, or any modifications or merged portions of it, to any license obligations or any other intellectual property related terms of any open source software that would require (A) that any incorporation, combination, or distribution of the Program with such open source software (i) be disclosed or distributed in source code form; or (ii) otherwise be licensed on terms inconsistent with the terms of this Agreement, including but not limited to permitting use of the Program on or with devices other than Licensor's products; or (B)

Licensor to license any of its patents to users of the open source software and/or the Program incorporated, combined or distributed with such open source software or developed using such open source software.

The following terms apply to any of the described content that is embedded in the Program or marked on any materials provided by Licensor under this Agreement or on any Program-related materials: (i) with respect to any trademarks, brands, logos, or similar indicia of origin, you agree that, as between you and Licensor, Licensor is the sole and exclusive owner of all right, title, and interest thereto, and that you will make no use thereof without prior authorization, which must be provided in a signed writing separate from this agreement; and, (ii) with regard to any proprietary rights markings and notices, you agree that you will not remove, obscure or alter such markings and notices, and (ii) you will faithfully reproduce them in any copies.

#### LIMITED WARRANTY, LIMITATION OF REMEDIES AND LIABILITY

THE PROGRAM IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND EITHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE PROGRAM IS WITH YOU. SHOULD THE PROGRAM PROVED DEFECTIVE AND YOU REQUEST LICENSOR TO REPAIR DEFECT, YOU (AND NOT LICENSOR) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. IN NO EVENT SHALL LICENSOR BE LIABLE TO YOU OR ANY THIRD PARTY WITH RESPECT TO ANY LIABILITY, LOSS OR DAMAGE CAUSED BY OR ALLEGED TO BE CAUSED BY THE PROGRAM, ITS USE OR OPERATION, WHETHER DIRECT, INCIDENTAL, OR CONSEQUENTIAL.

Licensor warrants the media on which the program is furnished to be free from defects under normal use for a period of 45 days from the date of shipment to the place of purchase.

#### TERM

The term of this license shall commence upon your opening of the sealed diskette package and/or installation of the program and shall terminate upon your returning the Program together with all copies, modifications, and merged portions of any form to Licensor. The license shall also terminate upon your failure to comply with any of the terms and conditions of this agreement. Upon termination, you shall provide to Licensor within 10 days written confirmation that the Program, together with all copies, modifications, and merged portions have been deleted from your files and computer system and returned to Licensor or destroyed by you.

#### GENERAL

This agreement is the complete agreement and understanding of the parties with respect to the Program and supersedes all prior oral, written or other representations and agreements.

Title in and to the Program and documentation remains exclusively in Licensor, subject to the license granted to you in this agreement. Licensor retains all rights not expressly granted. Nothing in this Agreement constitutes a waiver of the Licensor's rights under the U.S. Copyright laws or any other federal or state law.

The exportation of the software and documentation shall be subject to the Export Administration Regulations of the United States Department of Commerce.
